

CrossCulture Programme

Motivation Letter

To apply for a fellowship, please answer the following questions as concise and complete as possible. Please note that the maximum number of characters must not be exceeded.

What are your motivations for applying for the CrossCulture Programme (CCP)? What do you expect from your professional fellowship at an organisation in Germany/the host country? Which professional skills and knowledge would you like to acquire? **(max. 1.750 characters)**

Every year, CCP offers fellowships in the following areas:

- politics & society
- human rights & peace
- civic and citizenship education
- climate justice
- media & culture
- sustainable development
- digital civil society

In which of the seven above mentioned areas do you work and would like to deepen your professional expertise Please justify your selection while indicating your position and responsibilities at your home organisation and/or your social commitment in your home country. **(max. 1.500 characters)**

Please describe your ideas in what kind of organisation and which professional field you would like to be hosted? If you already have a specific host organisation in mind, please let us know. **(max. 1.350 characters)**

How would your home organisation and/or community benefit from your participation in the CrossCulture Programme? Do you already have specific plans or ideas for the future? **(max. 1.500 characters)**

Please briefly summarize a specific objective (s) for your personal and professional development as well as an organisational objective (s) to which your participation in the CrossCulture Programme could contribute to:

Personal objective (s)

Professional objective (s)

Organisational objective(s)

I hereby declare that the above statements are correct and complete. I understand that any misinformation will lead to the exclusion from the CrossCulture Programme.
